EFFECTIVE DATES

Effective Date of Insured's Insurance. The Insured's insurance will be effective as follows:

1. if the Policyholder does not require the Insured to contribute toward the premium for this coverage, the Insured's insurance will be effective on the date the Insured becomes eligible;
2. if the Policyholder requires the Insured to contribute toward the premium for this coverage, the Insured's insurance will be effective on the date the Insured becomes eligible, provided;
   a. the Insured has given the Company the Insured's enrollment form (if required) on, prior to, or within 30 days of the date the Insured becomes eligible; and
   b. the Insured has agreed to pay the required premium contributions; and
3. if the Insured fails to meet the requirements of 2 a) and 2 b) within 30 days after becoming eligible, the Insured's coverage will not become effective until the Company has verified that the Insured has met these requirements. The Insured will then be advised of the Insured's effective date.

Effective Date of Dependents' Insurance. Coverage for Dependents becomes effective on the later of:

1. the date Dependent coverage is first included in the Insured's coverage; or
2. the premium due date on or after the date the person first qualifies as the Insured's Dependent. If an enrollment form is required, the Insured must provide such form and agree to pay any premium contribution that may be required prior to coverage becoming effective.

If the Insured and the Insured's spouse are both Insureds, one Insured may request to be a Dependent spouse of the other. A Dependent child may not be covered by more than one Insured.

Newborn Children. A Dependent child born while the Insured's coverage is in force will be covered from the moment of birth for 60 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period.

Adopted Children. If a Dependent child is placed with the Insured for adoption while the Insured's coverage is in force, this child will be covered from the date of placement for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period. If proper notice has been given, coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement.

BENEFITS

Benefits are payable for each Insured Person as shown in the Schedule of Benefits for expenses incurred while this insurance is in force.

In-Network Provider Benefits. The Insured Person must pay any Copayment or any cost above the Allowance shown in the Schedule of Benefits at the time the covered service is provided. Benefits will be paid to the In-Network Provider who will file a claim with the Company on behalf of the Insured Person.

Out-of-Network Provider Benefits. The Insured Person who chooses to receive services from an Out-of-Network Provider must make payment and billing arrangements with that Provider, unless the Out-of-Network Provider allows for assignment of benefits. The Insured Person must pay the full cost at the time the covered services are provided. The Out-of-Network Provider or the Insured Person may file a claim with the Company, as determined by the Insured Person. The Company will pay the Out-of-Network benefits up to the maximum dollar amount shown in the Schedule of Benefits.

LIMITATIONS

Fees charged by a Provider for services other than a covered benefit and any local, state or Federal taxes must be paid in full by the Insured Person to the Provider. Such fees, taxes or materials are not covered under the Policy.

Allowances provide no remaining balance for future use within the same Benefit Frequency.

EXCLUSIONS

No benefits will be paid for services or materials connected with or charges arising from:

1. medical or surgical treatment, services or supplies for the treatment of the eye, eyes or supporting structures;
2. Refraction, when not provided as part of a Comprehensive Eye Examination;
3. services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof;

4. orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses;
5. any Vision Examination or any corrective Vision Materials required by a Policyholder as a condition of employment;
6. safety eyewear;
7. solutions, cleaning products or frame cases;
8. non-prescription sunglasses;
9. plano (non-prescription) lenses;
10. plano (non-prescription) contact lenses;
11. two pair of glasses in lieu of bifocals;
12. electronic vision devices;
13. services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 90 days from the date of such order; or
14. lost or broken lenses, frames, glasses, or contact lenses that are replaced before the next Benefit Frequency when Vision Materials would next become available.

TERMINATION OF INSURANCE

The Policyholder or the Company may terminate or cancel the Policy as shown in the Policy.

For All Insureds. The Insureds' insurance will cease on the earlier of:

1. the date the Policy ends;
2. the end of the last period for which any required premium contribution agreed to in writing has been made;
3. the date the Insured is no longer eligible for insurance; or
4. the date the Insured's employment with the Policyholder ends. The Policyholder may, at the Policyholder's option, continue insurance for individuals whose employment has ended, if the Policyholder:
   a. does so without individual selection between Insureds; and
   b. continues to pay any premium contribution for those individuals.

For Dependents. A Dependent's insurance will cease on the earlier of:

1. the date the Insured's coverage ends;
2. the end of the month in which the Dependent ceases to be an eligible Dependent as defined in the Policyholder's application; or
3. the end of the last period for which any required premium contribution has been made.

A Dependent child will not cease to be a Dependent solely because of age if the child is:

1. not capable of self-sustaining employment due to intellectual disability or physical handicap that began before the age limit was reached; and
2. mainly dependent on the Insured for support.

The Company may ask for proof of the eligible Dependent child's incapacity and dependency within 31 days of the date the Dependent child would otherwise cease to be covered.

The Company may require the same proof again, but will not request it more than once a year after this coverage has been continued for two years. This continued coverage will end on the earlier of:

1. on the date the Policy ends;
2. on the date the incapacity or dependency ends;
3. on the end of the last period for which any required premium contribution for the Dependent child has been made; or
4. 60 days following the date the Company requests proof and such proof is not provided to the Company.

If the Insured Person has received a Vision Examination and ordered Vision Materials prior to the termination date, such Vision Materials received within 90 days of the date in which the Vision Materials were ordered will be covered to the extent the Vision Materials would have been covered had the Policy not terminated.

PREMIUMS

The Company provides insurance coverage in return for premium payment. Premiums are payable to the Company by the Policyholder on behalf of the Insured Person. The Insured Person's first premium is due on the Insured Person's Effective Date. Premiums must be paid to the Company on or before the due date. The initial premium rates are shown in the Policyholder's application.

Premium Changes. The Company has the right to change the premium rates on any premium due date as allowed in the Policy. The Company will provide written notice to the Policyholder at least 60 days before the date of the change. The premium rates also may be changed at any time the terms of the Policy are changed.

Grace Period. The Policy has a 31-day grace period for the payment of each premium due after the first premium. Coverage will continue in force during the grace period. Coverage will terminate at the end of the grace period if all premiums due are not paid. The Company will require payment of all premiums for the period this coverage continues in force, including the premiums for the grace period. The grace period will not apply if the Company receives written notice of the Policyholder's or the Insured's intent to terminate coverage.

CLAIMS

Notice of Claim. Written notice of claim must be given to the Company within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon as is reasonably possible. Notice given by or for the Insured Person to the Company at the Company's home office, to the Company's authorized administrator or to any of the Company's authorized agents with sufficient information to identify the Insured Person will be deemed as notice to the Company.

Claim Forms. The Company will furnish claim forms to the Insured Person within 15 days after notice of claim is received. If the Insured Person does not receive claim forms within such time, the Insured Person will be deemed to have complied with the requirements of the Policy as to proof of loss upon submitting written proof of the occurrence, character and extent of loss for which the claim is made within the time stated in the Policy for filing proof of loss.

Proof of Loss. Written proof of loss must be furnished to the Company at the Company's home office within 90 days after the date of the loss. Failure to furnish proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within that time, if the proof is furnished as soon as reasonably possible.

Time Payment of Claims. Any benefit payable under the Policy will be paid immediately, but not more than 30 days, upon receipt of due written proof of loss.

Payment of Claims. All claims will be paid to the Insured, unless assigned. Any benefits payable on or after the Insured's death will be paid to the Insured's estate.

Assignment. Benefits under the Policy may be assigned.

Right of Recovery. If payment for claims exceeds the amount for which the Insured Person is eligible under any benefit provision or rider of the Policy, the Company has the right to recover the excess of such payment from the Provider or the Insured. In the absence of fraud, no request for overpayment reimbursement will be made later than 18 months after the date the first payment was made or before the 45th day following the request for reimbursement.

Legal Actions. No Insured Person can bring an action at law or in equity to recover on the Policy until more than 60 days after the date written proof of loss has been furnished according to the Policy. No such action may be brought after the

expiration of three years after the time written proof of loss is required to be furnished. If the time limit of the Policy is less than allowed by the laws of the state where the Insured Person resides, the limit is extended to meet the minimum time allowed by such law.

GENERAL PROVISIONS

Clerical Error. Clerical errors or delays in keeping records for the Policy will not deny insurance that would otherwise have been granted, nor extend insurance that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

Conformity to Law. Any provision of the Policy that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

Entire Contract. The Policy, including any endorsements and riders, the Certificate, the Policyholder's application, which is attached to the Policy when issued, the Insured's individual enrollment form, if any, and the eligibility file, if any, are the entire contract between the parties. A copy of the Policy may be examined at the office of the Policyholder during normal business hours. All statements made by the Policyholder or an Insured will, in the absence of fraud, be deemed representations and not warranties, and no such statement will be used in defense to a claim hereunder unless it is contained in a written instrument signed by the Policyholder, the Insured, the Insured's beneficiary or personal representative, a copy of which has been furnished to the Policyholder, the Insured, the Insured's beneficiary or personal representative.

Amendments and Changes. No agent is authorized to alter or amend the Policy, or to waive any conditions or restrictions herein, or to extend the time for paying any premium. The Policy and the Certificate may be amended at any time by mutual agreement between the Policyholder and the Company without the consent of the Insured, but without prejudice to any loss incurred prior to the effective date of the amendment. No person except an Officer of the Company has authority on behalf of the Company to modify the Policy or to waive or lapse any of the Company's rights or requirements.

Incontestability. After the Policy has been in force for two years, it can only be contested for nonpayment of premiums. No statement made by an Insured Person can be used in a contest after the Insured Person's insurance has been in force for two years during the Insured Person's lifetime. No statement an Insured Person makes can be used in a contest unless it is in writing and signed by the Insured Person.

Insurance Data. The Policyholder must give the Company the names and ages of all individuals initially insured. The names of persons who later become eligible (whether or not the person becomes insured), and the names of those who cease to be eligible must also be given. The eligibility dates and any other necessary data must be given to the Company so that the premium can be determined.

The Company has the right to audit the Policyholder's books and records as the books and records relate to this insurance. The Company may authorize someone else to perform this audit. Any such inspection may be done at any reasonable time.

Workers' Compensation. The Policy is not a Workers' Compensation policy. The Policy does not satisfy any requirement for coverage by Workers' Compensation Insurance.

AMENDATORY RIDER REGARDING REPLACEMENT COVERAGE

The Policy/Certificate to which this Amendment Rider is attached is amended as follows:

The following applies when the Policy serves to replace similar coverage the Policyholder previously obtained through another plan or policy. In this provision, that other plan or policy is referred to as the prior plan. The Policyholder's coverage under the Policy will not be considered as replacement coverage unless the Policyholder's coverage under the Policy takes effect within 60 days after coverage under the prior plan ends.

In the absence of this provision, an Insured Person who was covered by the prior plan at the date of discontinuance might not qualify for coverage under the Policy because the person is not actively at work or is confined in a Hospital.

Each such person will be insured under the Policy if:

1. the person was insured under the prior plan, including coverage under the prior plan's extension of benefits provision, on the date the Policyholder's coverage with the prior plan ended;
2. the prior plan covered more than 15 people; and
3. the person is in a class of persons eligible for coverage under the Policy.

The benefits payable for the persons described above will be the benefits of the Policy less any amount payable under the prior plan pursuant to any extension of benefits provision.

The Policy, in applying any waiting periods, will give credit for the satisfaction or partial satisfaction of the same or similar provisions under the prior policy.

This Rider takes effect on the effective date of the Policy/Certificate to which it is attached. This Rider terminates concurrently with the Policy/Certificate to which it is attached. It is subject to all the terms and conditions of the Policy/Certificate except as stated herein.

NOTICE

NEW JERSEY LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of New Jersey who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the New Jersey Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The New Jersey Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in New Jersey. You should not rely on coverage by the New Jersey Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

Policyholders with additional questions may contact:

The New Jersey Life and Health Insurance Guaranty Association
One Gateway Center 9th Floor
Newark, NJ 07102

State of New Jersey Department of Insurance
20 West State Street
PO-325
Trenton, NJ 08625-0325

The state law that provides for this safety-net coverage is called the New Jersey Life and Health Insurance Guaranty Association Act, N.J.S.A. 17B:32A-1, et seq. (the "Act"). On the back is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health, or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

The Association also does **not** provide coverage for:

- any portion of a policy not guaranteed by the insurer or under which the holder bears risk;
- a policy of reinsurance, unless assumption certificates have been issued;
- any portion of a policy to the extent that the interest rate exceeds the statutory limits;
- self-funded or uninsured policies issued as part of an employer's program to provide life, disability, or annuity benefits to employees, including but not limited to benefits payable under:
    - a multiple employer welfare arrangement as defined under ERISA;
    - a minimum premium group plan;
    - a stop-loss group plan; or
    - an administrative services only contract;
- a portion of a policy that provides: dividends; experience rating credits; or payment of administration fees or allowances;
- a policy issued in New Jersey by a member insurer when not licensed in this state;
- any unallocated annuity contract issued to an employee benefit plan protected under the federal Pension Benefit Guaranty Corporation; or
- any portion of any unallocated annuity contract that is not issued to or in connection with a specific plan providing benefits to employees or an association of natural persons.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than $500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than $100,000 in net cash surrender and withdrawal values for life insurance, $100,000 in net cash surrender and net cash withdrawal values for annuity benefits, $500,000 in life insurance death benefits or $500,000 in present value of annuities--again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than $2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.
